suspect: letter to LARICHOFF from E. NOTZNI von GACZINSKI(EGMA-59971, attach.)

The letter implies contact between LARICHOFF and Boris CREMENT Case may speculate on the basis of this letter that other letters to LARICHOFF from Brussels with an illegible signature (see intercept files), containing emigre intelligence information, actually stem from CREMENT.

implication confirmed - see at to EBMA = 59993, in which of the Forman - 59993, in which for the forman - 59993, in which have been seen from Just and the Landson of the L
